**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION
UNDER 37 C.F.R. §1.181**

SIR:

Applicants hereby respectfully petition to withdraw holding of abandonment based on failure to receive office action under 37 C.F.R. §1.181. The application became abandoned for failure to pay the issue fee within three-months from the date of the Notice of Allowance pursuant to 35 U.S.C. §151. According to USPTO records a Notice of Allowance was mailed December 29, 2004. The issue fee was not paid by the 3-month deadline.

Applicant hereby submits the required issue fee payment as specified in the Notice of Allowance in an issue fee transmittal, which is submitted herewith.

The delay in paying the issue fee from its due date until the filing of this Petition was unavoidable, as Applicant did not receive the Notice of Allowance purported to have been mailed on December 29, 2004 by the United States Patent and Trademark Office.

The Notice of Allowance was not received at the mailing address of record. It is not in our files nor has it been docketed, thus we are confident that we did not receive it. Annexed hereto as Exhibit A are docket records for mail received from December 27, 2004 to January 21, 2005, which indicate, no mail relating to the above-identified application was received from the United States Patent and Trademark Office for the period of December 27, 2004 to January 21, 2005. Additional docket records for mail received are available for additional periods if required. If the Notice of Allowance purported to have been mailed December 29, 2004 had been received, such receipt would be indicated on the docket records for mail received.

Annexed hereto as Exhibit B is a copy of the file jacket for the above-referenced application. The file jacket does not include an entry for the Notice of Allowance, which would have been entered if it was received in our office and the appropriate due date for the payment of issue fee would have been indicated on the same file jacket. Also, the docket reports would have been sent to the applicant indicating a due date for the issue fee.

Further, although the application was considered abandoned as of March 29, 2005 for failure to pay the issue fee, the United States Patent and Trademark Office did not mail the Notice of Abandonment until October 13, 2005. Applicants learned that the issue fee had not been paid and timely filed the present petition well within the two-month limit to be considered timely under 37 C.F.R. §1.181.

Accordingly, we respectfully submit that the foregoing is a sufficient showing that the entire delay in paying the issue fee until the filing of this petition was based on the failure to receive the Notice of Allowance from the United States Patent and Trademark Office.

No fees are believed to be due, however, the Commissioner is hereby authorized to charge any additional fees with regard to the payment of the issue fee or otherwise, commissioner is also authorized to credit any overpayment in connection with these papers to Deposit Account No. **11-0600**. An issue fee transmittal is being paid concurrently under separate cover and a copy of same is submitted herewith. A duplicate of this paper is enclosed for charging purposes.

Respectfully submitted,

Date: October 31, 2005
